

# Sheridan Multi-Faith Resources

Many students find that their wellbeing is enhanced by spiritual or faith related activities. Connecting with a faith group can provide a supportive network away from the routine of student life. Here are some options for connecting with faith groups both within Sheridan and in the communities that surround our campuses.

## Campus Multi-Faith Prayer Rooms

At Sheridan, there is a Prayer Room on each campus where all members of the Sheridan community may go to pray, meditate, reflect, or individually worship.

Please scan to visit the COVID-19 coming to campus page for details on access.

**Davis Campus: Room C323**

## Sheridan Student Union Faith Groups

Students have the option of joining a faith, spiritual, or cultural club through the Sheridan Student Union. You can search for faith/cultural clubs through Clubs Corner (scan the QR code).

## Centre for Indigenous Learning and Support

The Centre for Indigenous Learning and Support offers you the opportunity to meet with Elders for support, guidance, and teachings. If you require sage or sweetgrass for smudging, we can provide you with this.

For any supports or connections, contact the Centre for Indigenous Learning and Support:
